Dear, John Manufacture:

My name is Joseph Sidote and I am writing to you to apply for the position of Mechanical Design Engineer / 3D Printing that you may have open. My training in programs such as Blender and AutoDesk Inventor, as well as my experience with 3D printers and CNC machines makes me an ideal candidate for this position.

I am open to work as a design engineer or 3D printer operator. I am a hardworking individual who is highly trainable. I go to Vinal Technical High School, I am skilled with working with my hands and I have an excellent work ethic.

I am open to learning new skills and can work well in a team.

Thank you for taking the time to look at my resume. I welcome the opportunity to discuss my qualifications with you in more detail. I can be reached at (860)-985-8388 to set up an interview. Thank you again for your time.

Sincerely,

Joseph Sidote
