

Subject: Thank You – CNC Operator Position

Dear Mr. Manufacture:

Thank you for taking the time to meet with me regarding the CNC Operator job. The position seems like a strong match for my skills and abilities, and I believe I would be an asset to your company.

The customer-first culture of the Manufacturing Company meshes closely with the customer service skills I have acquired during my previous employment.

In addition to my enthusiasm, I will bring to the position strong communication skills, attention to detail, and the ability to effectively and diplomatically resolve challenging customer issues.

If you have any questions, or I can provide you with further information regarding my candidacy, please don't hesitate to ask.

I very much appreciate the time you took to interview me. I am very interested in working for you and look forward to hearing from you regarding the position.

Sincerely,

Joseph Sidote
